

The historical **Muhammad Mosque No. 7** is the New York headquarters of the Nation of Islam. We are conveniently located in Harlem, New York City. Under the direction of the local representative we have secured our vanguard position in the struggle of liberation. Guests who visit this storied mosque are treated to spiritual advancement under the guidance Allah (God) through the hosting representatives of his servant, the Honorable Minister Louis Farrakhan. All those who wish to experience the word of Allah (God) as it relates to our present-day condition and struggle for freedom, justice and equality are invited to come visit us in the heart of the Nation.
